TEHAMA COUNTY  
FLOOD CONTROL AND WATER CONSERVATION DISTRICT

## Antelope Subbasin Open House

*Update on Groundwater Sustainability Implementation Activities  
and Addressing Data Gaps*

The Tehama County Flood Control and Water Conservation District invites you to attend an open house event regarding recent updates in groundwater management and an opportunity to inform data gaps in the Antelope Subbasin.

### The Open House will cover:

- Information on the status of GSP implementation (groundwater conditions, revised GSP, data gaps, and projects and management actions).
- Information on domestic well monitoring program and opportunities to get involved.
- Gathering of public feedback on implementation priorities and areas of high interests for the next year.
- How to stay involved in groundwater management in the Antelope Subbasin.

**Get involved! We value and encourage your feedback and recommendations.**
