Public Agency

Tehama County Flood Control and Water Conservation District

Document Title

MUL TI BENEFIT THOMES AND ELDER CREEKS WATER SERVICE CONNECTION PROJECT

Document Type

NOE - Notice of Exemption

Received

12/19/2025

Posted

12/19/2025

Document Description

Property owners along Elder and Thomes Creeks with surface water rights will be installing a water service connection to their existing water system to allow use of surface water when available. The project will involve the construction of a direct water service connection. This action covers the construction-related activities for installation of this water service connection which is an element of Red Bluff GSP implementation activities to achieve long term groundwater sustainability in the Sub basin.
